Top Causes

Audience Input – What are your thoughts?

- Strains
- Slip, Trip and Falls

Strain Trends

- Lifting
- Pulling
- Pushing
- Repetitive Motion
- Twisting

Slip, Trip, and Fall Trends

- Same Level Falls
- Different Level Falls
- Falls from Scaffolding, Stairs, and Ladders
- Falls Into Openings
- Falls from Ice and Snow

Reasons

- Language Barrier
- As a perk shortcuts are overlooked
- Can't afford to lose employees
- Skeleton crew, it's ok
- Safety is lacking on the weekend
- You know how it is, when the cat's away the mice shall play

Finding Safety Solutions

- Language Barrier – Translator tools
- As a perk shortcuts are overlooked – Not a perk
- Can't afford to lose employees – If they hurt, they still not working
- Skeleton crew, it's ok – Accountability at all levels
- Safety is lacking on the weekend – Accountability at all levels
- You know how it is, when the cat's away the mice shall play – Accountability at all levels

A Personal Note

Alternative

The safest day was yesterday

Thank You
